COLLABORATION WITH NISPAcee

We are pleased to announce that as of 2010 we will be collaborating with the Network of Institutes and Schools of Public Administration in Central and Eastern Europe (NISPAcee) to promote comparative policy analytic studies in the region. To this end we will be sponsoring, co-adjudicating, and awarding the 'Best Comparative Paper Presented at a NISPAcee Conference'. We would like to extend special thanks to our editorial board member, Prof. Tiina Randma-Liiv, for her role in facilitating this development.

The sponsorship of this Award by the JCPA and ICPA-Forum continues similar initiatives with the Association of Public Policy Analysis and Management (APPAM) and the International Francophone Political Science Association: the French, Belgian, Swiss & Quebecoise societies.
